

2006 Kawasaki Kx250f Service Manual

I recently obtained the 2004 Kawasaki KX250F Service Manual and wanted to share. This service manual will also work for the Suzuki RM-z250 since they were both made by the KawaZuki connection from 2004-2005 (2006 for Suzuki) which means for each model year, they are identical with the exception of plastic color and graphics.
