

A Break Of Day Shade

Watch the SunSmart Schools curriculum resources in action at Sylvia Park School. The resources are cross-curricula for Levels 1 to 4 of the NZ Curriculum, and are a great way to teach students about the sun, energy and sun protection through hands-on and inquiry lessons.

What's happening with SunSmart Schools?

Shade is a 2003 American neo-noir crime drama directed and written by Damian Nieman and starring Stuart Townsend, Gabriel Byrne, Thandie Newton, Sylvester Stallone, Jamie Foxx and Melanie Griffith.

Shade (film) - Wikipedia

In ecology, shade tolerance refers to a plant's ability to tolerate low light levels. The term is also used in horticulture and landscaping, although in this context its use is sometimes sloppy, especially with respect to labeling of plants for sale in nurseries.

Shade tolerance - Wikipedia

Shade Outdoor Living Solutions out of Austin just completed our Arcadia Louvered Roof here in the Canyon Lake, TX area. After looking at some other options out there, this was an easy choice in regards to durability, low cost of maintenance, and the 10 year warranty on the work and structure itself.

Partial sun and partial shade are probably the most confusing category. The two terms are fairly interchangeable. These plants prefer 4 to 6 hours of sun a day and would be happiest getting their sun mostly in the morning and/or evening with shade through the middle of the day.

Sun, Shade or Perhaps Something in Between | Proven Winners

Shade sails have long been popular in the southern hemisphere for their sun protection benefits. However, most sails are typically made with a loose weave fabric which allows heat to escape from under the garden sail and maintains a cool temperature when sat in the shade.
