0 Comments Let's look at what Corvette Forum members have to say about the manual vs automatic comparison. Decades from now, our guess is that Corvette fans will still be debating which is better - a manual transmission or an automatic.

### **There's No Settling the Manual vs Automatic Debate ...**

A manual transmission, also known as a manual gearbox, a standard transmission or colloquially in some countries (e.g. the United States) as a stick shift, is a type of transmission used in motor vehicle applications.
