

Before Memory Fades An Autobiography

Learning the Language (Present Continuous I) 2018, video, color, sound, continuous loop (18:25 min). "Learning the Language (Present Continuous I)" is part of a series of video portraits in which Cesarco borrows the vocabulary of the person portrayed to address some of his own recurrent concerns (memory, repetition, regrets, etc.).

Like Steven, I've created my own solo (and probably non-comics) blog, surer tonic. I should begin posting there more regularly in August. This will be the end of Peiratikos and I'll be closing all comment threads once I get through the comments currently in moderation to make sure nothing legitimate got nabbed by the spam catcher.

In *The African Child*, Laye describes life, growing up as an African child in Guinea, West Africa. Deeply nostalgic, the book is an autobiography portraying a vision of Islamic and ancient African community in the pre colonial era, a time when tradition engendered mutual understanding and respect for all.
