Air conditioning vs climate control - what's the difference? Back in the 1930s, car manufacturers started to offer a brand new option: electric heaters built into the dashboard. Then, a few years later, Nash Motors, which went out of business in 1954, came up with a way to run fresh air past the engine.

### **What's the difference between air-con and climate control ...**

Air Conditioning Motorcraft repairs Full Air Conditioning Service, Recharge and Refresh. Many people will use their air con system more in the hotter summer months, but it is also useful in winter as it helps keep your windows demisted by circulating warm, dry air throughout your vehicle.
