Subject: Testimonial. While playing golf my Yamaha cart made a loud popping noise and stopped moving. I was towed home from the course and called a local repair person.

Cartfixer Mobile Golf Cart Repair

A golf cart (called golf car in ANSI standard Z130.1, since "carts" are not self-propelled) is a small vehicle designed originally to carry two golfers and their golf clubs around a golf course or on desert trails with less effort than walking.

Golf cart - Wikipedia

Golf cart manufacturers typically limit the amount of speed that their carts can achieve due to restrictions placed on them by golf courses (usually 12 m.p.h. limit).

How to Supe up a Golf Cart Engine | DoltYourself.com

The applications in which golf carts are used are more varied than almost any other form of modern transportation. Many of our customers do not actually use their carts to play golf.
