The mispronunciation of names can be very frustrating and embarrassing. During role call, whenever there is an awkward silence, I know that my name is next so instead of listening to my name being butchered, I usually relieve the person from saying my name and say it myself.

How We Pronounce Student Names, and Why it Matters

A poor way to use this guide would be to run off copies of every single chapter's comprehension questions and have the kids answer all four million of them (using complete sentences of course). Try to engage the students with the book. As with any text, the goal should be to leave the students wanting to read more, not less.
