

**Mst209 Past Exam Solutions**

A good course in applied mathematics. Good tutor support, certainly a step up from MST209. TMAs were as good as the past exam papers. Expect heavy vector calculus and eigenvalue problems.

**Mathematical methods and fluid mechanics MST326 | Module ...**

Credits. Credits measure the student workload required for the successful completion of a module or qualification. One credit represents about 10 hours of study over the duration of the course.
