This surgical video shows the management of a macular retinal fold, which is a rare but significant complication after retinal detachment repair with vitrectomy.

Macular Retinal Fold Repair - American Academy of ...

Teaching the next generation of ophthalmologists is the core mission of the Weill Cornell Medical Center's Department of Ophthalmology. In conjunction with the New York Presbyterian Hospital, the ophthalmology residency program is founded upon a dedication to quality education, innovative research and excellence in patient care.

Weill Cornell Medical College | Education & Training

Well-trained technicians, assistants and nurses are vital to the ophthalmic patient care team. Academy resources provide practice staff with a solid foundation of clinical knowledge and the references they need to stay up to date.

Technicians and Nurses - American Academy of Ophthalmology

Many programs have enlisted the support of chief residents, the program director and others who have a particular interest in wellness. Others have hired new faculty members who, in addition to their clinical expertise, have expressed an interest in wellness.

Physician Wellness: Preventing Resident and Fellow Burnout ...

Traumatic hyphema, or blood in the anterior chamber, is a common complication of blunt or penetrating injury to the eye and can result in permanent vision loss.
