

Owners Manual Ford F150 99

Thanks, Buzz. I have manual shift 4X4. The only problem with shifting into 4-hi on the fly, is if I have to shift into it when I'm already sitting still and lodged in a wretched pile of snow and slush, as was the case when I first noticed this clunky noise.

I went to my mechanic with an intermediate 'check gauge' light on, thinking it was like a 'check engine' with computer readings. It's not related at all, rather it indicates there is something going on with my gas tank float/gauge mechanism inside the gastank.
