The idea of an inherent conflict between law and religion is a very modern one, says Ed Stourton.

### **The decline of religion in the West - BBC News**

Astrology, witchcraft, magical healing, divination, ancient prophecies, ghosts, and fairies were taken very seriously by people at all social and economic levels in sixteenth- and seventeenth-century England. Helplessness in the face of disease and human disaster helped to perpetuate this belief in

### **Religion and the Decline of Magic: Studies in Popular ...**

Political and religious discord, disease, famine, fire, and death afflicted the lives of the English population between 1500 and 1700. While alcohol and tobacco provided an escape, Keith Thomas argues that astrology, magic, and religion offered all levels of society a way to make sense of human misfortune.
