Faultless planting of your crops simplifies all operations up to harvesting. The simplicity and settings of our seed drills provide you with full control over your drilling.

### **Home - Sulky**

This is good news to me. I have been holding off on the GT350 due to all of the reliability issues with the engine. I was literally going to post something in the 350 forum about whether it would be sacrilegious to eventually put a Coyote 5.0 Motor into the 350 if the FPC turned out to be an inevitable ticking time bomb.
