Special Right Triangles Color By Number Friday, January 8, 2016 . I LOVE coloring activities. I teach mostly on-level students with 5 out of my 6 classes being in class support (special education). Coloring is a stress reliever for both students and adults, so why not incorporate it into the classroom? I am currently working on a right triangles foldable, but it is hard since I really want to ...

Special Right Triangles Puzzle This cut-out puzzle was created to help students find missing sides in special right triangles, including both 45-45-90 and 30-60-90 triangles. Students find the missing sides on each triangle, then cut out the squares and rearrange so the edges meet and paste onto a template.
