

Subway Franchise Operations Manual

Low Franchise Fee. A one-time \$15,000 fee purchases a twenty year agreement renewable for an additional twenty years with no additional fees. Local Training and Support.

OHCAL | Subway Development Agents

Franchise Definition. By the book, a franchise is a method of parceling out goods or service. It is a type of business where the franchisee agrees to pay certain fees as well as follow certain business franchise rules in order to acquire the right to sell the goods or services of the franchisor, the company who established the company.

9+ Franchise Business Plan Examples - PDF

Franchising is based on a marketing concept which can be adopted by an organization as a strategy for business expansion. Where implemented, a franchisor licenses its know-how, procedures, intellectual property, use of its business model, brand, and rights to sell its branded products and services to a franchisee.
