

**The Historian Elizabeth Kostova**

The Historian is the 2005 debut novel of American author Elizabeth Kostova. The plot blends the history and folklore of Vlad Țepeș and his fictional equivalent Count Dracula.

**The Historian - Wikipedia**

As well as numerous settings, both in and out of the East Bloc, Kostova has three basic story lines to keep straight--one from 1930, when Professor Bartolomew Rossi begins his dangerous research into Dracula, one from 1950, when Professor Rossi's student Paul takes up the scent, and the main narrative from 1972.
