

The Key To Your Child's Heart

It's important that every child is in regular contact with someone who makes them feel safe, confident and cared for. According to the statutory framework for early years education (EYFS) - which sets the standards for your child's learning and development - 'every child must be assigned a key person.'

The importance of your child's key person

The Key to Your Child's Heart, by Gary Smalley, didn't stick out to me as being particularly noteworthy in the sea of parenting books. Most of the topics covered are covered better elsewhere, and on a few topics (such as punishment) I found I disagreed strongly with Smalley's conclusions.

The Key to Your Child's Heart by Gary Smalley - Goodreads

In our house, we give our kids a thousand answers to a thousand questions a day (well it feels like thousands!). But this cool idea inspires the idea that wise parents ask their children a million questions.

Here's the Key To Unlocking Your Child's Heart!

You are the school's most important education partner—the key to your child's success. Research shows that when families are involved at home and at school, children attend school more regularly, earn better grades, enroll in high-level programs and have higher graduation rates.

You Are the Key to Your Child's Success | Our Children

Motivation - The Key to Your Child's Educational Success By Alli Ross | Submitted On February 14, 2005 For the first year or two of life outside the womb, our brains are in the most impressionable state they will ever be in.

Motivation - The Key to Your Child's Educational Success

Smart parents give their children a million answers. Wise parents ask their children a million questions. And so smart parents might know, but wise parents understand. I love it when someone asks me a thoughtful question for three reasons. First, it shows that the other person cares enough to try

Here is the Key To Unlocking Your Child's Heart | Momastery

The earlier your child starts practicing the art of maintaining balance, the better it is for his/her growth. Here are some tips to improve balance and coordination for children in their growing age.
