What is covenant? A covenant can also be understood as a contract established between two parties. Everything you do requires a contract. Whether you buy a house or open an account at a bank or go into business, there are always specified terms for services rendered and the expected reciprocation.

What is covenant: Lesson 2 | The Covenant Contract

Everyone in our world has been subvertly trained to trust what they see on TV, especially when watching the news. What we've seen in the last few decades is the media becoming much more polarized and propagandist.
